

# VALUABLE COLT'S SIDE PIERCED BY BIG POST

Speared by a fence post brace while galloping in play, a valuable 2-year-old colt belonging to H. Adsit, seven miles northwest of El Dorado, was badly hurt late Thursday. A deep hole more than 14 inches across was torn in the animal's side, baring six ribs.

Adsit brought the colt to town and Veterinarian A. H. Gish took 18 stitches in the wound, at Turner & Osburn's livery barn. It probably will recover.
