Italian Case.

Letters Limited Letters Were Today For the Purpose of Empire Engineering Com- for the Death of An Employee Week.

Letters of administration were filed in Surrogate's Court today by Attorney Dennis O'Sullivan, for the widow Angelo, on the estate of Nicola Diciaula, an employee of the Empire Engineering Company, who was drowned in the new harbor break. The widow came on from New York and will sue the company for the death of her husband. The petition for letters of administration is a novel one in that the case of his death is disputed. Some say that he jumped in others that he was snubbed on the pier. In the line of employment the case the question arises whether or not he is entitled to compensation under the compensation act. Judge Miller signed an order for the expenditure by the company of Anna Catherine Rowe of a piano out of the fund of \$661 and. The petition states she is healthy, but an expert musician acts to follow this line of work. Letters were filed to the court.

and refreshments will be served. The meeting is open to all Methodist men or those without church affiliation.

Chaminade at Scriba.

The Chaminade will give one of its delightful concerts in the Methodist church at Scriba Corners on Friday evening. A rehearsal for the same will be held at the home of Miss Young, 142 East Second street, on Tuesday evening at eight o'clock sharp, to which all members are expected.

Spanish War Vets. Meet.

The regular meeting of the Spanish War Veterans will be held at the Armory this evening. A special musical program has been arranged and in addition to the regular routine business the reports from the State convention, which was held in Schenectady, will be read by Commander B. L. Rider. A full attendance is desired.

Senator Wolcott's Brother Here.

H. R. Wolcott and family of Denver, Col., who are making a tour of the Eastern States in his Packard were registered at the Pontiac yesterday. Mr. Wolcott is a brother of former Senator

given out at the meeting of the corporation held at the Fortnightly Club today.

About forty members were present at the meeting from this city, Minetto, Burn, Seneca Falls, Waterloo and Penn Yan. President F. A. Emerick was in the chair, while B. W. Bennett, of Fulton, acted as secretary.

Mr. Emerick made the opening address, after which John D. Higgins welcomed the visitors to Oswego, and a report of the financial condition of the corporation was read by H. R. Weeks, of Seneca Falls, the treasurer. Mr. Merry gave a report of the proposed litigation with the State, which will be based on the principle that the State owns only such waters as are necessary for navigation and has no right to interfere with the surplus by the operation of Talbot gates, nor in any other way. George N. Burt and G. H. P. Gould, of Lyons Falls, are on the legal committee with Mr. Merry and engineering talent will probably also be furnished by the corporation.

Mr. Emerick, in his address, told of the importance of the work of the corporation, especially to the city of Oswego, which will be heavily hit unless the State adopts some plan for storing the flood waters of the Oswego River.

Mr. Emerick's Address.

Our neighbors to the North, at Watertown, are appealing for the expenditure of large sums of public money, for the purpose of creating storage
